Dear Sir or Madam:

I would like to compliment Mid-Atlantic Clothing Recycling Company (MAC), who is responsible for the statewide Maryland D.A.R.E. Clothing Collection Program, for their performance in placing and maintaining their clothing collections boxes located on several Federal Realty Investment Trust (FRIT) properties.

MAC has successfully placed multiple D.A.R.E. clothing collection boxes at many of our properties and I am very pleased with the unique design of their boxes. I would not allow a collection bin on any of our properties that looked like a dumpster nor was not well maintained. MAC designed an attractive collection box that is well maintained and adheres to the image and standards that we require.

MAC and D.A.R.E. promised to have Site Monitors inspect the box locations on a daily basis to check the area surrounding the boxes and FRIT has had no issues with the D.A.R.E. boxes. The areas surrounding the boxes are kept very clean on a daily basis.

I have been satisfied with the professionalism of MAC while maintaining their clothing collection boxes at our sites and I would recommend them to any business that is considering clothing collection boxes on their property.

Sincerely,

A handwritten signature in blue ink that reads "Vicki Bromble".
